

ACKNOWLEDGEMENT

Thanks Lord Jesus for everything that You have given to me from the moment I breathed my very first breath until what I now have become.

First and foremost, I offer my very sincere gratitude to both of my advisers, Prof. Amrin Saragih, M.A., PhD and Prof. Tengku Silvana Sinar, M.A., Ph.D who have supported me with their knowledge, patience, and generosity. Without their assistance, this thesis might not have been completed. I attribute the level of my magister's degree to their encouragement and effort.

I need to thank Prof. Dr. Busmin Gurning, M.Pd. and Dr. Sri Minda Murni, M.S. as the head and the secretary of the English Applied Linguistics Program who were also as the examiners during the thesis exam. Also, my gratitude goes to Prof. Dr. Lince Sihombing, M.Pd for the suggestions and criticism as the examiner.

Next, I would like to take this opportunity to thank all the lecturers for their profound knowledge and academic guidance during my academic years. Further, I need to thank Bang Farid for the academic assistance.

My very special gratitude goes to my father, St. K Aritonang and my mother, M.br Sitanggang, S.Pd whose endless love, caring, support and prayers have brought me into what I am today. Also, I would like to thank my brother, Chandra Permana Aritonang, S.Kom., my sister, Elfrida Natalia Aritonang, S.E., my brother-in-law, Rudi Simbolon, S.Pd., my nephews, Evander Timothy Simbolon and Abraham Prayoga Simbolon. In addition, the words of wisdom from my grandparents (my mother's parents), Opung Hasian Doli Sitanggang and

Opung Hasian Boru, have been the precious advice. I also dedicate the thesis to my grandmother (my father's mother), Opung Sarmauli boru Manalu who passed away only three days after my thesis exam took place. My family has indeed been the great place where I dig my greatest inspiration.

A lot of thanks are offered to all my classmates, Mas Agung, Balqis, Bambang, Chitra, Desi, Fandi, Irma, Bang Indra, Bang Jamal, Kak Nurhalimah, Kak Sarni, Kak Trisna, Rika, Radiani, Riwanto, Pak Pollung, Yulima, Kak Ayu, Rika, Usman and my two best friends Bang Elbi and Wina whom I always spent my time discussing the lessons and homework together. All those sweet memories will last forever.

I am indebted to other friends like Bang Rowland who has been a very loyal friend for the last three years, Yudi and Hestika, two great friends who have motivated me to seriously work on the thesis. I also would like to express my gratitude to Nenty Silitonga who sent words of support to me through her mobilephone messenger the morning before my thesis exam was underway making me even more determined. Although her presence was relatively brief in my life, she made a great impact on the completion of the thesis through her moral support. I always wish the best for her.

I am very thankful to the principal and vice principal of SMP Sutomo 2 where I have been working as an English teacher. They often allowed me to skip the school meetings on Saturdays during my study period. Next, I need to say thank you to all of my friends at Sutomo 2 especially Pak Agus, Pak Sagianto, Pak Sanggul, Pak Jhanrinaldy, Pak Zanrison, Pak Bonggal, Pak Bonaraja, Pak
