

ACKNOWLEDGMENT

Bismillahirrahmanirrahim. Alhamdulillah, Praise and Gratitude I pray to Allah SWT for all His help, mercy, and love so that I can complete the thesis entitled "Analysis of Learning Difficulty Factors on Fungi Material in Online Learning in Class X MIA Students of SMA Negeri 10 Medan Academic Year 2020/2021". Shalawat and salam to Rasulullah SAW. who has always been a source of inspiration and the best example for mankind. During the preparation of this thesis, I realized that there were many obstacles in the process of writing this thesis, but thanks to the help, guidance and cooperation of various parties, the writer managed to overcome these obstacles and was able to complete this thesis. Therefore, with humility, I would like to thank all those who have helped in the preparation of this thesis.

First of all, I would like to thank my beloved father Alkari S.Pd. and my beloved mother Darlina Aryani S.Pd. who has been raising and educating me with love. Furthermore, I would like to thank Prof. Dr. Fauziah Harahap, M.Si. as the Dean of the Faculty of Mathematics and Natural Sciences, Dr. Hasruddin, M.Pd. as the Head of the Biology Department, and Dr. Ely Djulia, M.Pd. as Coordinator of Bilingual Program. To my thesis supervisor, Prof. Dr. Martina Restuati, M.Si., I thank you profusely for guiding me patiently, giving a lot of motivation and direction so that this thesis can be prepared properly. To my thesis examiner, Prof. Dr. Tri Harsono, M.Si., Prof. Dr. Herbert Sipahutar, M.S., M.Sc., Wasis Wuyung Wisnu Brata, M.Pd., I thank you very much for the direction and suggestions for improvement so that this thesis can be completed properly.

To the Principal of SMA Negeri 10 Medan, namely Susnesi, S.Pd., Biology teacher namely Sukmawati, S.Pd., and students of SMA Negeri 10 Medan, I thank you very much for their participation in conducting research at SMA Negeri 10 Medan. Finally, I would like to thank my colleagues and all parties who have helped in the writing of this thesis, either directly or indirectly.

The writer realizes that the writing of this thesis is still far from perfection. Therefore, critics and suggestions are always hoped for in order to achieve the best

things from this research. The author hopes that this research can provide benefits and increase knowledge from various parties.
