Preface

The 3rd International Conference on Social Sciences and Interdisciplinary Studies (ICSSIS) is a Routine Agenda for the Faculty of Social Sciences, Medan State University in 2021. This conference has the theme "Social Humanities, Culture, and Education in the Industrial Revolution Era 4.0 and Post-Covid-19 Pandemic". The conference will be held on December 16, 2021 online.

The proceedings are packaged to examine the position of the study of the Social Sciences, Culture and Education in the Revolution 4.0 era and after the Covid-19 pandemic. In addition, this conference is an opportunity for researchers and scientists to express their social, cultural and educational knowledge to conduct scientific discussions about developments, as well as current issues in the revolutionary era and post-covid-19 pandemic in national and global contexts.

The published proceedings are expected to be used as material or reference for other researchers. We, the committee, would like to thank all parties for their cooperation so that the conference can run well. Without diminishing our respect, constructive criticism of the committee is highly expected for future evaluation.

Thus, we convey this introduction, hopefully the works that we produce at the conference can motivate all parties, especially those who join and play an active role in this scientific forum, for the services of all parties, we thank you very much.
