

LIST OF FIGURES

	<i>Page</i>
Figure 2.1. Possible sublevel for video/audiovisual media	13
Figure 2.2. Interface display of Adobe Animate CC.....	21
Figure 2.3. Carbohydrate absorption process.....	28
Figure 2.4. Protein digestion process	29
Figure 2.5. Fat breakdown and absorption.....	30
Figure 2.6. Schematic framework of thinking.....	31
Figure 3.1. Scheme of research design.....	33
Figure 3.2. Application flowchart	42
Figure 4.1. Digestive system topics that are considered difficult by students	51
Figure 4.2. Student Interest In Online Learning Application	52
Figure 4.3. Application cover display	54
Figure 4.4. Introduction section display	54
Figure 4.5. Application instruction display	55
Figure 4.6. Application main menu display	55
Figure 4.7. Competency menu section display	56
Figure 4.8. Learning materials menu section display.....	56
Figure 4.9. Food substance material section display.....	56
Figure 4.10. Digestive gland material section display	57
Figure 4.11. Digestive organ material section display	57
Figure 4.12. Digestive disorders material section display	58
Figure 4.13. Simulation videos menu display	58
Figure 4.14. Digestion of food simulation video display.....	58
Figure 4.15. The breakdown of polysaccharides by salivary amylase.....	59
Figure 4.16. The illustration of gastric acid in the stomach.....	59
Figure 4.17. The breakdown of carbohydrate by pancreatic amylase	60
Figure 4.18. Illustration of monosaccharides absorption	60
Figure 4.19. Illustration of monosaccharides exit enterocyte	60
Figure 4.20. Polypeptides broken down by pepsin in the stomach.....	61
Figure 4.21. Smaller peptides break down by pancreatic protease	61

	<i>Page</i>
Figure 4.22. Smaller peptides break down by aminopeptidase	62
Figure 4.23. Illustration of amino acids absorption.....	62
Figure 4.24. Illustration of amino acids exit the cell at the basal membrane.....	62
Figure 4.25. Emulsification of fat globules by bile salts.....	63
Figure 4.26. The monoglycerides and fatty acids	63
Figure 4.27. The illustrations of chylomicrons enter the lymphatic vessels.....	64
Figure 4.28. Parts of colon	64
Figure 4.29. Food test practicum section display	65
Figure 4.30. Students worksheet menu display.....	65
Figure 4.31. Developer profil menu display	65
Figure 4.32. Glossary section display	66
Figure 4.33. References section display.....	66
Figure 4.34. Feasibility Score According to Media Expert.....	67
Figure 4.35. Feasibility Score Based on Material Expert	69
Figure 4.36. Feasibility Score Based on Biology Teacher.....	72
Figure 4.37. Application Feasibility Score According to Experts	73
Figure 4.38. Feasibility Score Based on Students' Response	74
