

LIST OF TABLE

Table 2.1. Types of Printed Teaching Materials and Their Characteristics.....	13
Table 2.2. Differences between Electronic Module and Printed Module	20
Table 2.3. Context of Scientific Literacy Assessment at PISA 2015.....	24
Table 2.4. Description of Proficiency Level and Scientific Literacy.....	25
Table 2.5. Comparison Properties of Solutions, Colloids and Suspensions	39
Table 2.6. Types of Colloids	40
Table 3.1. Questionnaire scale validation	51
Table 3.2. Questionnaire scale of students' responses.....	51
Table 3.3. BSNP Assessment Questionnaire Grid	52
Table 3.4. Student Response Instrument Grid	53
Table 3.5. Activity Of Define Stage.....	56
Table 3.6. Activity Of Design Stage	57
Table 3.7. Criteria Validity Analysis Electronic Module	60
Table 3.8. Criteria for the percentage of validity or module eligibility	61
Table 3.9. Category Assessment Student Response	61
Table 4.1. Type of Chemistry Books Used in E-Module Development	63
Table 4.2. Material Validation Results by Validator	79
Table 4.3. Media Validation Results by Validator.....	82
Table 4.4. Student Responses Results.....	89
