

ACKNOWLEDGEMENTS

In writing this thesis, many people have involved. The writer would like, therefore to acknowledge her deep gratitude for all generous guidance, assistance, suggestions, advice and support which have been rendered to her.

First and foremost, she thanks to Allah SWT, for all the blessings poured upon her in all her life long. Secondly, blessing and peace be upon the prophet Muhammad SAW who has brought human beings from the darkness and the brightness.

The writer also wishes to pass her sincere gratitude to:

1. Prof Amrin Saragih. M.A., Ph.D, her first consultant, and Prof. T. Silvana Sinar., Ph.D, her second consultant who have kindly assisted her in correcting, revising and directing the idea of this thesis.
2. Prof Dr. Busmin Gurning, M.Pd, Prof. Dr. Sumarsih, M.Pd and Dr. Sri Minda Murni, M.S. who has been so kind and generous in encouraging her to finish her thesis.
3. The Head of the English Applied Linguistics Study Program, Prof. Dr. Busmin Gurning, M.Pd and his secretary, Dr. Sri Minda Murni, M.S who have generously encouraged her in completing her study.
4. All lectures for the valuable instruction, tuition and knowledge they have imparted to her during the study.
5. Her special thanks to her beloved parents for their support and pray during her study.
6. Her thanks to her brothers and beloved friends, who have encouraged her during her study.
