

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

5.1 Conclusions

After deliberately analyzing the data, the conclusions are stated as follows:

1. The types of conversational implicatures namely conversational implicature was found in the host and guests utterances in *The Mata Najwa Talk Show* program.
2. The process of conversational implicature namely by flouting maxim of quantity, flouting maxim of quality, flouting maxim of relation and flouting maxim of manner are occurred in the host and guests utterances in *The Mata Najwa Talk Show* program.
3. The two types of context, macro context and micro context were found in the utterances of *The Mata Najwa Talk Show* program.

5.2 Suggestions

Based on the conclusions stated above, this study has some suggestions to readers with may be different positions as follows:

1. To the other researchers, it is suggested to conduct the same topic with different talk show programs and different topics in different programs to see the role of implicature used by for interviewer and interviewee whether they obey the cooperative principles during having communication or not.
2. To the readers, it is suggested to enrich and develop the students knowledge of pragmatics particularly with the conversational implicature subtopic.
3. To the presidential candidates, it is suggested to increase the sensitivity in practicing an effective cooperation and politeness in daily conversation.
