CHAPTER V

CONCLUSIONS AND SUGGESTIONS

5.1 Conclusions

Having analyzed the data, the conclusions are drawn as the following.

(1) There are four orientations of modality found in MTGW program, namely subjective implicit, objective implicit, subjective explicit and objective explicit. The speaker uses metaphor of modality to express his modality politely and to make his joke to be more polite.

(2) The metaphor of modality in MTGW program used not only by using projecting clause and nominalizing the modality but also be^ Verb-en.

(3) The context of situation of metaphor of modality in MTGW is highly dependent on the tenor.

5.2 Suggestions

In relation to the conclusions above, suggestions are staged as the following.

(1) It is suggested that the students of English Department should be careful in choosing modality if they want to be more persuasive for the audience. As for the ordinary people in communications, the choice of different modality will give others different impression, which influences the chance of a successful communication.

(2) It is suggested that other researcher do further research about metaphor of modality in different discourse in order to know the different significant from the previous discourses and it can be more intensively described.

(3) The other findings from the research that the metaphor of modality in this discourse not only be used to express modality politely but also be used to express the humorous attitude but it needs further research to investigate it.
