

ACKNOWLEDGEMENT

Alhamdulillahirabbil'alamin. Praise and thank to the Almighty Allah SWT, for the blessings and guidance to the writer so that the writing of this thesis can finally be accomplished as it should be. This thesis is a scientific writing that has to be completed in order to fulfill one of the academic requirements for the degree of Magister Humaniora at the English Applied Linguistics Study Program; Post Graduate School, State University of Medan. It has also shown the responsibility and capability of the writer as an academician to be able to conduct a research that would contribute to the development of scientific knowledge.

However, without the assistance of these following number of people who have given valuable suggestions and useful influences on the writing of this thesis, it would be much more difficult for the writer to finish her work. She is then deeply indebted to these people and would like to express her sincere thanks.

The writer would like to deliver her grateful appreciation and gratitude to her first adviser Prof. Dr. Hj. Sumarsih, M.Pd, and her second adviser Dr. Sri Minda Murni, M.S. for their great care, patient guidance, excellent advices, and precious time in guiding her in the process of completing this thesis.

Her gratefulness also goes to the Head and Secretary of the English Applied Linguistics Study Program, Prof. Dr. Busmin Gurning, M.Pd. and Dr. Sri Minda Murni, M.S. for their kind support toward the prerequisites of the thesis submission as well as the encouragement to work hard toward the thesis proposal. Her sincere gratitude is also given to Prof. Dr. H. Abdul Sibuea, as the Director of Postgraduate School at State University of Medan. The writer also would like to

express her gratefulness to Prof. Jonathan Culpeper from Lancaster University, UK, for his contributive input in clarifying and guiding her through the concept of his impoliteness theories and his generosity to spend some time to read her emails and respond to her questions.

Furthermore, the writer would like to thank Prof. Dr. Amrin Saragih, M.A., Ph.D., Dr. Zainuddin, M.Hum., and Dr. Rahmad Husein, M.Ed. for their constructive comments and suggestions in advancing the thesis quality.

Her deepest gratitude and tremendous appreciations are presented to her parents, Togu Simanjuntak, SH, MH and Sri Sudiartin for their never ending support, care and love to encourage her to learn and pursue her education to the master degree. To all her beloved families who always pour her with all their compassion; especially to her younger brothers, Yudha Prayogie Simanjuntak, S.Kom and Yumnaa Rifqi Simanjuntak.

Last but not least, the writer would like to thank all of her beloved friends in B4 Class, Applied Linguistics Study Program, Post Graduate School at State University of Medan, Siti Marlina, Ersika Puspita Dani, Mia Rizana, Ika Swantika, Evi Lestaria, Muvidah, Lamia Deareni, Fitri Erawati, and Adinda Zoraya Alvin. Thank you very much for their time to discuss and exchange ideas while working on the thesis as well as their prayers, encouragement and support.
