Hello Coordinator of the journal. I submitted the second article. Please help me to process it into the current scopus journal. If there is any lack in the following manuscript we are ready to improve it according to the reviewers comments.
Thank you very much

Best regards

Japhet Ndayisenga

Hello Coordinator, I would like to ask you to help me with this published article. When I submitted I forgot to add the name of two authors but in the copyright their names appeared. Just now they complain to me. Can you help me to modify it. I submitted the same last published manuscript with complete names.
