J. P. Simanjuntak:

Thank you for submitting the manuscript, "EIC22-Potential of pyrolytic oil from plastic waste as an alternative fuel through thermal cracking in Indonesia: A mini review to fill the gap of the future research" to Journal of Advanced Research in Fluid Mechanics and Thermal Sciences. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Submission URL: https://semarakilmu.com.my/journals/index.php/fluid_mechanics_thermal_sciences/authorDashboard/submission/1620

Username: jpsimanjuntak

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

J. P. Simanjuntak:

We have reached a decision regarding your submission to Journal of Advanced Research in Fluid Mechanics and Thermal Sciences, "EIC22-Potential of pyrolytic oil from plastic waste as an alternative fuel through thermal cracking in Indonesia: A mini review to fill the gap of the future research".

Our decision is: Revisions Required

Please submit the revised article by 15 Feb 2023

Editorial Comments:

Please cite few articles from

<http://www.akademiabaru.com/submit/index.php/araset>

<http://www.akademiabaru.com/submit/index.php/progee>

Please revise and provide MSWord article.

Section 2 title "article review" is inappropriate. Please check. "Literature review" is better.

Please provide editable table 1.

Please use journal template.

We have reached a decision regarding your submission to Journal of Advanced Research in Fluid Mechanics and Thermal Sciences, "EIC22-Potential of pyrolytic oil from plastic waste as an alternative fuel through thermal cracking in Indonesia: A mini review to fill the gap of the future research".

Our decision is to: **Accept Submission**

Please make payment of Article Processing Charge of USD250 (International Corresponding Author) or RM1500 (Malaysian Corresponding Author). The payment can be accomplished through

1) Bank in, Bank transfer or Telegraphic transfer to the following details:

Beneficiary: SEMARAK ILMU PUBLISHING

Bank's Name: CIMB BANK

Account number: 8604899129

Swift code: CIBBMYKLXXX

Full Address: No 67, Jalan 8/1, Section 8, 43650 Bandar Baru Bangi, Selangor, Malaysia

Beneficiary Address: No 22, Jalan Puteri 5A/3, Bandar Puteri Bangi, 43000 Kajang, Selangor, Malaysia

OR

2) Payment by ConfBay Online Payment Gateway (Credit card/paypal, etc):

Register and upload the accepted paper here

<https://submit.confbay.com/conf/arfmts>

You will receive an invoice and guide for making online payment

Please email the proof of payment to finance@akademiabaru.com before we can begin copyediting of the accepted article.

Thank you

Truly

Editor-in-chief, Journal of Advanced Research in Fluid Mechanics and Thermal Sciences

Congratulations, your paper has been published!

Dear Janter Pangaduan Simanjuntak, Bisrul Hapis Tambunan, Junifa Layla Sihombing

Your work has now been published in the [Journal of Advanced Research in Fluid Mechanics and Thermal Sciences, Volume 102, Issue 2](#)

Fig. 2. Parameters related to the POPW production quality

[Potential of Pyrolytic Oil from Plastic Waste as an Alternative Fuel Through Thermal Cracking in Indonesia: A Mini Review to Fill the Gap of the Future Research](#)

It's the final version of your work and can be cited, downloaded and shared.

Janter Pangaduan Simanjuntak, Bisrul Hapis Tambunan, & Junifa Layla Sihombing. (2023). Potential of Pyrolytic Oil from Plastic Waste as an Alternative Fuel Through Thermal Cracking in Indonesia: A Mini Review to Fill the Gap of the Future Research. *Journal of Advanced Research in Fluid Mechanics and Thermal Sciences*, 102(2), 196–207. <https://doi.org/10.37934/arfmts.102.2.196207>

Promote your works to boost your citation count. You may consider the following techniques:

- Use social media. Provide links to your papers on social media (e.g., Facebook, Twitter, [Academia.edu](https://www.academia.edu), ResearchGate, Mendeley) and your university profile page.
- Talk to other researchers about your paper, and email copies of your paper to researchers who may be interested.

Create a blog or a website dedicated to your research and share it.

- Cite your own past papers as appropriate to increase visibility of your published papers.

Thank you again for publishing with us. We wish you the best success with your research.

Congratulations, your paper is now available in SCOPUS! Inbox x
