Dear Dede Ruslan,

We have received the first and second reviewer's comments on your article titled "Monetary Policy in Indonesia: Dynamics of Inflation, Credibility Index and Output Stability Post Covid 19 (New Keynesian Small Macroeconomics Approach)".

The first reviewer's comment:

1. You need to Follow our template before you resubmit back for the last requirement;
2. you need to proofread the whole of your English;
3. When you try to make your Introduction also your LR on your research paper, you need to do some steps on bellow:
  - a. You need to brief and explain well GLOBALLY the theory of your study that you mentioned on your abstract on this session
  - b. please show to us your research gap/ problem statement clearly
4. This is research paper, you can not write up long statement without any citation/ quotation from any researchers.. You need to justified from where you got this information.

The second reviewer has accepted the article with one minor correction. you need to Re-updating your references on your paper. The review good and interesting.

Please make all the correction and any necessary rewriting of the article as both reviewers suggested and send it back to us.

Best Regards
