

## ACKNOWLEDGEMENTS

Through only my name appears on the cover of this thesis, a great many people have contributed to its production. I owe my gratitude to all those people who have made this research possible and because of whom my gratitude experience has been one that I will cherish forever.

My grateful thanks to Allah *Subhanahu Wata'ala* for the good health and wellbeing that were necessary to complete this thesis. My deepest gratitude to my advisors, Dr. Ely Djulia, M.Pd and Dr. Hasruddin, M.Pd. I have been amazingly fortunate have gave me advisors who gave me the freedom to explore on my own, and the same time the guidance to recover when my steps faltered. They taught me how to question and express idea. Their patience and support helped me overcome many crisis situations and finish this study.

I am also indebted to all of my examiners, Prof. Dr. rer.nat. Binari Manurung, M.Si, Dr. Rahmad Husein, M.Ed and Dr. Fauziah Harahap, M.Si. They give me insihgtful comments and constructive criticisms at different stages of my research which were thought-provoking and they helped me focus on my ideas. I'm grateful to them for holding me to a high research standard and enforcing strict validations for each result and thus teaching me how to do good research. I would like to acknowledge to the headmaster of SMP Negeri 1 Labuhandeli Mr. Yusmariono, S.Pd also for the science teachers Titi Hendrawati, S.Pd and Noni Faziera Sari, S.Pd., M.Si for the continuos encouragement.

Next gratitude goes to the member of Biology Education Study Program of Undergraduate School, The State University of Medan especially Biology Education (Class B1) for the numerous and amazing happines, discussions, experiences and the advices. We are big family. Many friends have helped me stay sane through these difficult years, Misahradarsi Dongoran, Ari Rahmayanti Rahayu, Dina Kharida, Raja Novi Ariska, Erlia Utami and Sukmawati Sundari. Their support and care encourage me to overcome setbacks and stay focused on my graduate study. I greatly value their friendship and I deeply appriciate their belief in me.

Most importantly, none of this would have been possible without the love and patience of my big family. My immediate family to whom this thesis is dedicated to, has been a constant source of love, concern, support and strength all these years. I would like to express my heart-felt gratitude to my parents, Sugeng Heriono, SH and Sabdiani, SH.I. Awesome indebted for my husband Pratu Irin Suharsin, my brother Dedek Dermawan, SH and Fauzi Kurniawan, my sister Elvida, S.Pd., M.Si who have accompany me throughout this endeavor.

Finally, without their supports, encouragement and dedication to assist me, the thesis would not have been possible.
