

ACKNOWLEDGEMENT

Shalom, the researcher thanks God the Almighty for His blessing, love, opportunity, health, and mercy to complete this undergraduate thesis. This undergraduate thesis entitled “Students’ Environmental Knowledge and Attitude at SMA Negeri 5 Pematangsiantar as an Adiwiyata School Status” is submitted as the final requirement in accomplishing undergraduate degree at Bilingual Biology Education Study Program Universitas Negeri Medan.

In arranging this thesis, a lot of people have provided motivation, advice, and support for the researcher. In this valuable chance, the researcher intended to express her gratitude and appreciation to all of them. The researcher presents her appreciation goes to the Dean of FMIPA UNIMED, Prof. Dr. Fauziah Harahap, M.Si, the Head of Biology Department, Dr. Hasruddin M.Pd , and the Coordinator of Bilingual Program, Dr. Ely Djulia, M.Pd. Foremost, the researcher expresses her thankful for the honor to be guided by Mrs. Dr. Ely Djulia, M.Pd who has helped the researcher patiently finishing this undergraduate thesis by giving motivation, enthusiasm, immense knowledge, experience, love, suggestion, guidance, and correction until the completion of this thesis.

Beside my thesis supervisor, the researcher would like to thank the rest of my thesis examiners : Dr. Ashar Hasairin, M.Si., Drs. Syarifuddin, M.Sc., Ph.D., and Dr. Widya Arwita, M.Pd., for their encouragement and insightful comments. My sincere thanks also given to academic supervisor Dr. Mufti Sudibyoy, M.Si., for his guidance for the researcher during in Biology major class. The researcher greatest appreciation also goes to Mr. Dr. Hasruddin M.Pd ., and Mr. Drs. Puji Prastowo, M.Si., validators for the research instrument, who has provided suggestions and input to improve my instrument.

The researcher gratefully thank to the principal of SMA Negeri 5 Pematang Siantar, Mr. Drs. Edwar Simarmata, M.Si., for allowing the researcher to conduct the research there. Also to the Biology teacher in X grade, Mrs. Susy Farida Nainggolan, S.Pd., for allowing me to conduct my research in her class.

The researcher’s deepest appreciation goes to her beloved parents, her

mother Mrs. Herlina Sinurat for the endless love, pray, and support, and her father Alm.Mr.M. Butar-Butar for the life lesson, endless pray and love even we have been apart physically. My dearest sister and brothers, Johannes, Kristian, Marisa, Siska, Juliana, for every supports in any form especialy phone call every week in order to remind the researcher to keep going and never giving up her motivation to write the thesis. Their text messages keep the researcher annoyed but magically give her a reason to be focus to finish the study as soon as possible. For that, she is really grateful to have them in her life. Her enormous appreciation to all of her best friends for life and all of her friends in Bilingual Biology Education 2017, she is very grateful to have some close friends who always support the researcher and encourage her to finish this paper.

Additional thanks go to all who pray and support the researcher in various ways that everybody has showed her for the completion of her thesis, especially those who already spent their precious time to help her to finish this thesis. May this thesis can contribute to improve the quality of education in this country.
