

## PREFACE

All praise and gratitude to Allah Swt. for all His mercy and guidance so that the author is able to complete the thesis entitled “The Effect of STEM-PjBL Model on Students Creative Thinking Skills in Environmental pollution topic of SMP Negeri 37 Medan” on time. This thesis is written to fulfill the requirements to achieve a Bachelor of Education degree in the Bilingual Science Education Study Program, Faculty of Mathematics and Natural Sciences, Medan State University. In completing the study and writing this thesis, the author has received a lot of help both teaching, guidance and direction from various parties both directly and indirectly.

For this reason, the author expresses his deepest appreciation and gratitude to Mrs. Prof. Dr. Fauziyah Harahap, M.Si., as Dean of the Faculty of FMIPA, Universitas Negeri Medan and staff of FMIPA UNIMED, for Thesis supervisor, Mr. Halim Simatupang, M.Pd., who has given time in busy schedule, providing criticism, advice and direction to the author in the process of writing this thesis until it is completed, Academic supervisor, Mrs. Dra. Martina Asiati Napitupulu, M. Sc., who has guided, cared and support the author during the academic semester, Thesis Examiners, Mr. Syarifuddin, M.Sc., Ph.D., Mrs. Lastama Sinaga., S.Pd., M.Ed., and Mr. Aristo Hardinata, M.Pd., who have provided many constructive suggestions for writing a better thesis, Mr. Muhammad Nizar, M. M., and staff who have given permission to the author to conduct research at SMP Negeri 37 Medan, Mrs. Marlin, S. Pd., as a mentor who has guided until conducting research at SMP Negeri 37 Medan. The author expresses grateful to parents and family who have provided support, encouragement and prayers to the author while studying in this university, Classmates in Natural Science Education Study Program 2019 who have encouraged, sharing love and knowledge with the author during the education and All the people who have provided help, prayers and support that the author cannot mention one by one. And I also thanks to myself, for the effort, kind, and strength to do and execute my thesis in this university.

The author realizes that this thesis is far from perfect due to the limited ability and knowledge possessed by the author. Therefore, for mistakes and shortcomings in writing this thesis, the author apologizes and is willing to accept constructive criticism. Finally, the author hopes that this thesis can provide benefits for anyone who reads it.
