

## ACKNOWLEDGMENT

Bismillahirrahmanirrahiim. Alhamdulillah, praise and gratitude I pray to Almighty Allah swt for all His help, mercy and love so that I can complete my thesis entitled "Create of Black Soldier Fly (*Hermetia illucens*) Larvae Cultivation Module Based On Project In Entrepreneurship Course at Department of Biology Medan State University. I realized that there were many obstacles in the process of writing this thesis, but I thank to the help, cooperation, and guidance of various parties, the writer managed to overcome these obstacles and was able to complete this thesis. Therefore, with humility I would like to thank all those who have helped in the completing this thesis.

First and foremost, this thesis especially dedicate to beloved father Dian Irawanto and mom Ervina, who have always supported author morally and materially and always prayed for author in every step of the journey. May Allah swt bless beloved father and mom and be shower them with His love and affection. I would also like to thank beloved brother, sister in law, sister and lovely niece who have supported and prayed for the author throughout this time.

My appreciation goes to the Dean of FMIPA Universitas Negeri Medan, Prof. Dr. Fauziah Harahap, M.Si., the Head of Biology Department Khairiza Lubis, M.Sc., Ph.D., and the Coordinator of Bilingual Program, Dr. Ely Djulia, M.Pd.

Furthermore, I would like to express my sincere gratitude and thank a lot for my thesis supervisor Dr. Mufti Sudibyo, M.Si who has supported me throughout my thesis with patient, motivation, knowledge full of love, so that the thesis can be prepared properly. To my thesis examiner, Dr. Aswarina Nasution, M.Pd, Khairiza Lubis, M.Sc., Ph.D, and Syarifuddin, M.Sc., Ph.D for the encouragement and insightful comments so that this thesis can be completed properly. The author's thanks go to Mrs. Elida Hafni Siregar, S.Pd., M.Si, Salmah Naelofaria, S.Pd., M.Pd, Drs. Onggal Sihite, M.Si and Ratnasari Dewi as validators for the modules that have been made. I also thank Prof. Dr. Martina Restuati, M.Si as an academic supervisor who has become a parental figure during college.

Thank you to Hamasah's best friends: Putri Pratiwi and Syifa Khairunnisa who always encouraged, reminded and fought together during college. The authors also thank the members of the Grandmother's Boarding House, Razita Syahrani Lubis (roommate), Putri Pratiwi and Novita Nabilla, who always accompany author during days of living overseas. Thank you also to friends in arms Salwa Khairani Ahmad, Yana Sofia Putri, Fadillah Rahma Purba, Aisyah Warahmah and Sarah Nur Fadhillah and all members of the Bilbio 19 class who have accompanied the lecture period during this time facing the hustle and bustle of KKNi. Thank a lot for Class PSPB B 2020 Who help and support author to complete this thesis as subject and respondents in this research.

Thank you also to my friends who still faithfully accompany Yuki, Dila, Yesi, Bimo and Ica. To the members of Kos Mekar Jaya, namely Ms. Dewi, Lisa, Ms. Cindy, Ms. Ina, Ika, Ms. Ika and Ms. Amel, who faithfully accompanied, directed and guided the author in facing the beginnings of living in Medan. Additional thanks go to all who pray and support the author in various ways that everyone has shown me for the completion of my thesis. May Allah swt always bless and give the best reward for all parties. Amiin.

The writer thinks that this thesis is the best work that the writer can present. But the author realizes that it is possible that there are deficiencies in it. Therefore, constructive criticism and suggestions are highly expected. Finally, I hope this thesis can be useful for writers in particular and for readers.

Medan, July 27<sup>th</sup> 2023

Author,
