

ABSTRACT

ADE GHAIRI ZAHRA. Development of Liveworksheet LKPD Based on Aceh Local Wisdom Theme 7 The Beauty of Diversity in My Country Class IV SD Negeri 1 Kualasimpang. Skripsi. Medan: Education Science Faculty Medan State University, November 2022.

This research aims to produce liveworksheets based on local wisdom that are feasible, practical, and effective in Aceh, theme 7 sub-theme 2 learning 4 beauty of diversity in my country in grade IV SD Negeri 1 Kualasimpang. This research is a development using the ADDIE research model which consists of 5 stages, namely the first analysis which includes product requirements analysis, second design, development, implementation, and evaluation. The results of this study are: (1) the feasibility of LKPD livework based on local wisdom is obtained from expert material in the "appropriate" category with a percentage of 80%, and the results of the validation of media experts in the "very feasible" category with a percentage of 89%, (2) the practicality of LKPD based on local wisdom was obtained through the validation of educational practitioners in the "very practical" category with a percentage of 95%, and (3) the effectiveness of LKPD living based on wisdom. This local area is obtained from the average increase in the results of the pre-test and post-test in the "effective" category with an average value of 87.9. Based on these findings, it can be concluded that the live worksheets based on local wisdom that have been developed are feasible, practical, and effective to be used in learning theme 7 sub-theme 2 learning 4 in grade IV SD. The recommendation in this study is the use of local wisdom-based worksheets in learning activities should be further developed in other learning so that it can increase students' motivation and enthusiasm.
