

## LIST OF TABLE

Table 3.1 Classification of Effect Size .....	32
Table 4.1 Sources of Literary Data.....	34
Table 4.2 Summary of Mathematical Problem Solving Abilities with Blended Learning Model.....	44
Table 4.3 Summary of Self-Regulated Learning with Blended Learning Model .....	48
Table 4.4 Mean and Standart Deviation of J2 .....	52
Table 4.5 Mean and Standart Deviation of J6 .....	53
Table 4.6 Mean and Standart Deviation of J7 .....	54
Table 4.7. The Effect Size Result .....	56
Table 4.8 Effect Size Distribution based on Media-Assisted.....	56
Table 4.9. The Effect Size Result .....	58
Table 4.10 Effect Size Distribution based on Media-Assisted.....	58
Table 4.11. Criteria of Gain Index Interpretation .....	59
Table 4.12 The Improvement of Mathematical Student's Problem Solving Abilities Based on N-Gain Values.....	59
Table 4.13 Indicator of Mathematical Student's Problem Solving Abilities i Data Sources. ....	60
Table 4.14 Classification of Mathematical Student's Problem Solving Abilities. ....	61
Table 4.15 Percentage of Problem Solving Ability Result Score in each Indicator.....	61
Table 4.16. Criteria of Gain Index Interpretation .....	63
Table 4.17 The Improvement of Mathematical Student's Self-Regulated Learning Based on N-Gain Values.....	63
