

PREFACE

All praise and gratitude to God Almighty, for all His mercy and guidance so that the author is able to complete the thesis entitled **“The Effect of Problem Based Learning Model on Problem Solving Ability and Scientific Attitude of Human Excretory System Material in Eight-Grade SMP Hang Tuah 2 Medan”**. This thesis is written to fulfill the requirements to achieve a Bachelor of Education degree in the Bilingual Science Education Study Program, Faculty of Mathematics and Natural Sciences, Medan State University.

In completing the study and writing this thesis, the author has received a lot of help both teaching, guidance and direction from various parties both directly and indirectly. For this reason, the author expresses his deepest appreciation and gratitude to:

- 1) Mrs. Dr. Fauziyah Harahap, M.Si., as Dean of the Faculty of FMIPA, State University of Medan and its staff.
- 2) Thesis supervisor, Mrs. Dr. Ely Djulia, M.Pd., who has given time in her busy schedule, providing criticism, advice and direction to the author in the process of writing this thesis until it is completed.
- 3) Academic supervisor, Mrs. Nora Susanti, S.Si., M.Sc., Apt., who has guided, cared and support the author during the education at State University of Medan.
- 4) Thesis Examiners, Mrs. Prof. Dr. Retno Dwi Suyanti, M.Si., Mr. Dr. Zainuddin Muchtar., M.Si., and Mr. Aristo Hardinata, S.Pd., M.Pd., who have provided many constructive suggestions for writing a better thesis.
- 5) Mrs. Lasniar Simbolon, S.Pd., and staff who have given permission to the author to conduct research at SMP Hang Tuah 2 Medan.
- 6) Mr. Drs. Jamaluddin, as a mentor who has guided and assisted the author conducting research at SMP Hang Tuah 2 Medan.
- 7) The author's beloved parents Mr. Teddy Hardono Minggoe and Mrs. Roselvi Pasaribu. Thank you for giving me sincere love, moral and material support, encouragement and prayers to the author while studying at this university.

- 8) Author's beloved siblings: Ferdion Miktam Shabach and Aurelia Tevina Audrey, who have given love, support, encouragement and prayers to the author while studying in this university.
- 9) Minggoe's big family and Pasaribu's big family. Thank you for the love and moral and material support that have been given while the author was studying.
- 10) Classmates in Natural Science Education Study Program 2019; Aulia, Geovani, Grace, Jenita, Jennie, Lia, Monika, Rizky, Saidatunnisa, Sherly, Winanta who have encouraged, sharing love and knowledge with the author during the education. We will definitely be successful together.
- 11) My church community; Youth Isa Almasih, especially Kowy Simamora, Agnes Aritonang, Aldi Tampubolon, Jenius Simamora and Maychal Aritonang who always supports me in joy and sorrow, who never leaves me and always supports me in prayer.
- 12) Friends-in-arms; Team KKN Sei Buluh, Feny Maylani, Fadhilah Purba, Tesa Kiara, Ayu Irinka, Marlina Sinaga, Jojor Yulima and Andreas Simanjuntak who accompanied and encouraged the author during the preparation of the thesis.
- 13) My friends since high school; Rizka, Rini, Chadisa, Natasha, Nurul, Dea and Yolanda who always provide support and become a support system for the author.
- 14) All parties who have provided help, prayers and support that the author simply can't name individually.
- 15) Last but not least, I would like to thank myself for all the efforts and hard work that have been put in during the process from the beginning of the lecture to the end of this lecture. I thank myself for always trying to be strong in all conditions. I want to thank myself for always moving forward, even though it was a little late but she has achieved it. I'm grateful and appreciative of every process that God has given to me in stage of maturation. I want to thank myself for surviving this far and still giving smiles to all peoples.

The author realizes that this thesis is far from perfect due to the limited ability and knowledge possessed by the author. Therefore, for mistakes and shortcomings in writing this thesis, the author apologizes and is willing to accept constructive criticism. Finally, the author hopes that this thesis can provide benefits for anyone who reads it.
