# DAFTAR GAMBAR

*Hal*

**Gambar 2.1.** Diagram Sistem Kontrol *Loop* Terbuka ........................................ 7
**Gambar 2.2.** Diagram Sistem Kontrol *Loop* Tertutup ........................................ 8
**Gambar 2.3.** Sensor PIR ........................................................................ 10
**Gambar 2.4.** Modul ESP8266..................................................................11
**Gambar 2.5.** *Mikrokontroler*..................................................................11
**Gambar 2.6.** *Arduino* ........................................................................... 14
**Gambar 2.7.** *Arduino* Mega2560 ........................................................... 14
**Gambar 2.8.** Tampilan utama Arduino IDE ............................................... 16
**Gambar 2.9.** Letak *Void Setup* dan *Void Loop* ........................................... 17
**Gambar 2.10.** Motor DC ......................................................................... 18
**Gambar 2.11.** Struktur motor DC ............................................................. 18
**Gambar 2.12.** *Gearbox* ........................................................................... 19
**Gambar 2.13.** *Driver* Motor BTS7960 ...................................................... 19
**Gambar 2.14.** Pin Konfigurasi *Driver* Motor BTS7960 .................................. 20
**Gambar 2.15.** *Relay* ............................................................................... 20
**Gambar 2.16.** Tuya ................................................................................ 21
**Gambar 2.17.** *Power Supply* ................................................................... 22
**Gambar 2.18.** *Battery*.............................................................................. 22
**Gambar 3.1.** Sketsa Gerbang Tampak dari Luar.......................................... 23
**Gambar 3.2.** Sketsa Gerbang Tampak dari Dalam ....................................... 23
**Gambar 3.3.** Diagram Blok Rancangan Sistem Gerbang Otomatis.................. 27
**Gambar 3.4.** Skematik rangkaian Sistem Pengontrol Gerbang Rumah Otomatis ............................................................................. 28
**Gambar 3.5.** Diagram Blok Rancangan Sistem Gerbang Otomatis.................. 30
**Gambar 3.6.** *Flowchart* Sistem Pengontrolan ............................................. 31
