

## ACKNOWLEDGEMENT

First and foremost, the author wishes to express deep gratitude to the Almighty God, Allah جل جلاله, for His boundless blessings, love, guidance, and mercy, which enabled the completion of this thesis titled “Expert Advisor Development Utilizing RSI (Relative Strength Index) and Standard Deviation Indicators in Forex Trading on the USD/CAD Currency Pair”. May His blessings and peace be upon the final Prophet Muhammad صلى الله عليه وسلم, his family, and his companions.

This thesis is submitted in partial fulfillment of the requirements for the Sarjana Bisnis degree at the Faculty of Economics, Universitas Negeri Medan. Its primary aim is to apply and expand the knowledge acquired in the field of Eco-Fintech.

The author acknowledges that the completion of this thesis would not have been possible without the assistance and support of many individuals. Therefore, the author wishes to extend heartfelt appreciation and thanks to:

1. Prof. Dr. Baharuddin, S.T., M.Pd., the Rector of Universitas Negeri Medan.
2. Dr. Haikal Rahman, M.Si., the Dean of Faculty of Economics at Universitas Negeri Medan as well as the Thesis Supervisor of the author, for the invaluable guidance, expertise, assistance, and encouragement during the study and writing of this thesis.
3. Dr. T. Teviana, S.E., M.Si., the Vice Dean of Academic Affairs, Faculty of Economics, Universitas Negeri Medan.

4. Akmal Huda Nasution, S.E., M.Si., the Vice Dean of General Affairs and Finance, Faculty of Economics, Universitas Negeri Medan.
5. Dr. Dionisius Sihombing, M.Si., the Vice Dean of Student Affairs and Alumni, Faculty of Economics, Universitas Negeri Medan.
6. Aprinawati, S.E., M.M., the Head of Management Department as well as the Second Examiner who has given the author suggestions, comments, and guidance with patience and wisdom during the process of accomplishing this thesis.
7. Rangga Restu Prayogo, S.A.B., M.Si., the Secretary of Management Department as well as the Third Examiner who has given the author suggestions, comments, and guidance with patience and wisdom during the process of accomplishing this thesis.
8. Dr. Haryadi, S.Kom., M.Kom., the Head of Digital Business Study Program as well as the Academic Advisor who has guided and directed the author throughout the course of study.
9. Dr. Zulkarnain Siregar, S.T., M.M., as the First Examiner who has given the author suggestions, comments, and guidance with patience and wisdom during the process of accomplishing this thesis.
10. Dedy Husrizal Syah, S.E., M.Si., as the Second Examiner who has given the author suggestions, comments, and guidance with patience and wisdom during the process of accomplishing this thesis.

11. Dita Pertiwi Eka Sirait S.E.,M.Si., as well as the Third Examiner who has given the author suggestions, comments, and guidance with patience and wisdom during the process of accomplishing this thesis.

12. All the Lecturers of Digital Business Study Program for their invaluable knowledge and experience during the academic years.

13. All staff and administrative personnel of the Faculty of Economics, Universitas Negeri Medan, who have assisted the author in managing and completing administrative requirements.

14. The great family of the Digital Business B 2020 Study Program who have supported the writer and shared academic activities together, as well as moments of togetherness outside of lectures. Especially the stalwart champions of "Menuju Indonesia Maju" who strive to advance the nation by overcoming life's challenges: Muammar (Marze), Modento, Olsen, Rizki (Notnot), Calvin, Samuel, Joseph, Daram, Budiman, Ben, and Wahyu.

15. My esteemed parents, father and mother, for their steadfast prayers, boundless love, support, and encouragement throughout the completion of this thesis.

16. His full spectrum of color and world, not just purple, Intan Pratiwi Rizka Ananda Mbak Bocil who i have known since kindergarten, her presence bestowed me with an endless stream of motivation and support in this rough and difficult journey.

17. All other parties whom the author cannot individually mention.

Fully aware that this thesis requires further improvement and contains various shortcomings in both content and sentence structure, the author welcomes constructive criticism and suggestions for future enhancements. It is hoped that this thesis will benefit readers and contribute to the advancement of knowledge, particularly in the field of digital business. In conclusion, may God Almighty continue to bless and protect us all.
