

## PREFACE

Praise and gratitude to God Almighty for His grace and provision so that the author can complete the thesis entitled “The Effect of Capital Structure, Dividend Policy, and Firm Size on Firm Value of Manufacturing Companies listed on Indonesia Stock Exchange at the period of 2021-2023”

This thesis is intended for academic reasons and serves as part of the requirements for acquiring a Bachelor of Accounting degree from Faculty of Economics, Universitas Negeri Medan. The author acknowledges that there is still much work to be done in both the content and grammar of this thesis. As a result, the author earnestly hopes for constructive feedback and recommendations from all parties in order to improve this thesis. The author faced numerous challenges while working on this thesis. Nonetheless, these challenges are manageable because of the leadership and counsel of multiple stakeholders. Specifically, the author would like to thank, Mr. Sahat Siagian & Mrs. Sarmauli Hutagaol, for their unwavering prayers, support, and inspiration. For all the love and sacrifices bestowed to the author, words cannot express gratitude.

On this occasion, the author also extends her appreciation and gratitude to those who have contributed prayers, support, direction, and guidance in the preparation of this thesis, as follows:

1. Mr Prof. Dr. Baharuddin, ST., M.Pd. as Rector of Universitas Negeri Medan.

2. Mr Dr. Haikal Rahman, M.Si., as Dean of Faculty of Economics, Universitas Negeri Medan.
3. Mrs Dr. T. Teviana, SE., M.Si., as Vice Dean of Academic Divions, Faculty of Economics, Universitas Negeri Medan.
4. Mrs Akmal Huda Nasution, SE., M.Si., as Vice Dean of General and Finance Division, Faculty of Economics, Universitas Negeri Medan.
5. Mr Dr. Dionisius Sihombing, M.Si. as Vice Dean of Alumni & Students Relation Division, Faculty of Economics, Universitas Negeri Medan.
6. Mrs Yulita Triadiarti, SE., M.Si., Ak., CA. as Head of the Accounting Department, Faculty of Economics, Universitas Negeri Medan.
7. Mr Ramdhansyah, SE., M.Acc. As Secretary of the Department of Accounting, Faculty of Economics, Universitas Negeri Medan.
8. Mr Taufik Hidayat, SE., M.Si., C.FR As the Head of the Accounting Study Program, Faculty of Economics, Universitas Negeri Medan and also as my third Examiner Lecturer, who has guided and directed the author in the completion of this thesis.
9. Mr Kornelius Harefa, S.E., M.Si., as Thesis Supervisor, who has guided and directed the author in the completion of this thesis.
10. Mr Azizul Kholis, S.E., M.Si., CMA., as my 1<sup>st</sup> Examiner Lecturer, who gave evaluates and recommendations to improve this thesis.
11. Mrs Esa Setiana, S.E., M.Si., as my 2<sup>nd</sup> Examiner Lecturer, who gave evaluates and recommendations to improve this thesis.

12. Mr. and Mrs. Lecturers of Accounting Study Program, Faculty of Economics, who shared their expertise with the researcher during their lectures.

13. Mrs Malisa, who has been a huge assistance with the Accounting Department's administration.

14. To Bapak Erwin Siagian and Mamatua Anita Sitanggang who have provided prayers and moral and material support to the author and completed the study.

15. To my dearest sister Yunita Anggriani Siagian and Frisisilia Siagian, Tri Wira Elisabeth Siagian, Ruth Fourthunauli Siagian who have provided encouragement, prayers, support for the author in completing the study.

16. To My Soul and Loud Bro-Sis, My Free Therapist, My Ride-or-Die “Nanaz, Duan, Afif, Sani, and Reza” for being there for me during the wandering period and Everyone who has lent their hands in helping to get this thesis done whose names I can’t mention one by one.

This thesis has been written and completed to the best of my ability, but constructive criticism and suggestions from readers are highly welcomed.

And may this thesis be beneficial to all parties both now and in the future.

Medan, October 2024

Warm regards,

Neysa Agustina Siagian
