

## DAFTAR LAMPIRAN

|                                                                                                                 |    |
|-----------------------------------------------------------------------------------------------------------------|----|
| Lampiran 1. Surat Izin Observasi.....                                                                           | 74 |
| Lampiran 2. Surat Izin Penelitian.....                                                                          | 75 |
| Lampiran 3. <i>Informed Consent</i> .....                                                                       | 76 |
| Lampiran 4. Kuisioner Identitas dan Karakteristik Responden.....                                                | 77 |
| Lampiran 5. Kuisioner <i>Perceived Stress Scale</i> (PSS-10).....                                               | 78 |
| Lampiran 6. Kuisioner <i>Pittsburgh Sleep Quality Index</i> (PSQI).....                                         | 80 |
| Lampiran 7. Tabel Karakteristik Responden.....                                                                  | 82 |
| Lampiran 8. Hasil Pengisian Kuisioner <i>Perceived Stress Scale</i> (PSS-10).....                               | 84 |
| Lampiran 9. Hasil Pengisian Kuisioner <i>Pittsburgh Sleep Quality Index</i> (PSQI) ..                           | 85 |
| Lampiran 10. Hasil Indeks Masa Tubuh (IMT) Responden.....                                                       | 87 |
| Lampiran 11. Uji Analisis Deskriptif Karakteristik Responden.....                                               | 90 |
| Lampiran 12. Uji <i>Chi-Square</i> Tingkat Stres dengan Status Gizi .....                                       | 91 |
| Lampiran 13. Uji <i>Chi-Square</i> Kualitas Tidur dengan Status Gizi.....                                       | 91 |
| Lampiran 14. Uji Analisis Regresi Logistik Hubungan Tingkat Stres dan Kualitas<br>Tidur dengan Status Gizi..... | 92 |
| Lampiran 15. Dokumentasi Penelitian .....                                                                       | 93 |
