

## PREFACE

Praise and gratitude to the Almighty God, for all His bless and guidance so that the author is able to complete the thesis entitled “The Effect of Problem Based Learning Dalihan Na Tolu Model on Students’ Collaboration and Critical Thinking on Excretory System Topic In SMA Negeri 1 Panombea Panei.”. This thesis is written to fulfil the requirements to achieve a Bachelor of Education degree in the Bilingual Biology Education Study Program, Faculty of Mathematics and Natural Science, Medan State University.

In the completion of this thesis, the author received a lot of help and guidance from several parties, both directly and indirectly. For this reason, the author expresses the gratitude and appreciation to:

1. Mr Prof. Dr Baharuddin, S.T. M.Pd, as the Rector of Medan State University for the opportunity given to the author to attend undergraduate education at Medan State University.
2. Mrs. Dr. Widya Arwita, S.Pd., M.Pd. as thesis supervisor who has provided the author with considerable time, advice, and guidance throughout the process of writing this thesis to completion.
3. Mr. Prof. Dr. Drs. Herbert Sipahutar, M.S., M.Sc., Mr. Dr. Hasruddin M.Pd., and Mrs. Widia Ningsih, S.Pd., M.Pd. as the thesis examiner who provided constructive criticism and suggestion for improving this thesis writing.
4. Mr. Dr. Syahmi Edi, M.Si. as an academic supervisor who has provided guidance during the author’s study at Medan State University.
5. Mr. Halim Simatupang, S.Pd., M.Pd., and Mr. Hendro Pranoto, S.Pd., M.Si. as validators who have guided the author to develop more effective research instruments.
6. Author’s beloved parents, Mr. Mangisi Simanjuntak and Mrs. Susi Sitorus, and the author’s brothers, Jimmy Andika Simanjuntak dan Jeremy Alfrandi Simanjuntak, who have consistently provided the author with material and psychological support, love, and prayers.
7. The entire beloved family, especially the author's grandparents (Opung Jessika Simanjuntak and Opung Yoel Sitorus) to uncles and aunts who have supported,

encouraged prayers and materials to the author and all family who cannot be mentioned one by one.

8. Mr. Jash Erdin Purba S.Pd and Mrs. Hotmauli Manurung who have supported and assisted the author in conducting research at SMA Negeri 1 Panombean Panei.
9. For my dearest friends from BESP20, especially Asnawi Saragih, for support and assistance in the research process. To WISBAR (Amalia, Azura, Elsariya, Siti and Syahana), CILOR (Frigus, Haikal, Ridho, Septian, Risky). *Pejuang S.Pd* (Monica and Amanda), PS.SARVO, KPPRI residents (Rahel, Lamria, Syeni, Theresa, and Rosi) and Todo Simanjuntak thank you for accompanying the author's joys and sorrows in lectures and supporting the author from the beginning of the semester to the end of writing this thesis. As well as the most special Yessica Isabella Purba thank you for being a friend and friend since junior high school and other friends who cannot be mentioned one by one.
10. To Leonardo Sihaloho who became one of the support systems for the thesis writing process. Thank you for listening to the author's complaints, encouraging and coloring the author's day. Thank you for being part of the author's life journey. May God listen to our prayers.

The author realizes that this thesis still contains numerous deficiencies, both in terms of content and grammar. Accordingly, the author awaits constructive criticism and suggestions from readers to improving this thesis. The author hopes that this thesis will be useful for readers and interested parties.
