

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

The researcher found that sexual violence in Bombshell movie was threatening because they had to obey all the rules or leaving their job. The researcher found three types of sexual violence based on Stark theory. The research showed that the most prevalent type of sexual violence was Violence. If it was concluded based on the sexual violence theory, then kinds of sexual violence that they felt has to be hide and keep it like nothing happen or they leave their work. Furthermore, researcher realized each type of influence on sexual violence. For instance, when most of the workers especially woman feel confuse to hide the sexual violence that they felt.

5.2 Suggestion

The researcher admitted that this research had weakness since there were limitation. Therefore, several suggestions were recommended by the researcher to readers towards sexual violence, as presented below:

1. For readers, it would be enriching their knowledge through sexual violence analysis through movie
2. Other researchers were advised to research more and expand analysis about sexual violence
