| Table 7: Item 2 .....                                                   | 52 |
| Table 8: Item 3 .....                                                   | 53 |
| Table 9: Item 4 .....                                                   | 54 |
| Table 10: Item 5 .....                                                  | 54 |
| Table 11: Item 6 .....                                                  | 55 |
| Table 12: Item 7 .....                                                  | 56 |
| Table 13: Item 8 .....                                                  | 56 |
| Table 14: Item 9 .....                                                  | 57 |
| Table 15: Item 10 .....                                                 | 58 |
| Table 16: Item 11 .....                                                 | 58 |
| Table 17: Item 12 .....                                                 | 59 |
| Table 18: Item 13 .....                                                 | 60 |
| Table 19: Item 14 .....                                                 | 60 |
| Table 20: Item 15 .....                                                 | 61 |
| Table 21: Item 16 .....                                                 | 62 |
| Table 22: Item 17 .....                                                 | 62 |
| Table 23: Item 18 .....                                                 | 63 |
| Table 24: Item 19 .....                                                 | 64 |
| Table 25: Item 20 .....                                                 | 64 |
| Table 26: Item 21 .....                                                 | 65 |
| Table 27: Item 22 .....                                                 | 66 |
| Table 28: Item 23 .....                                                 | 66 |
| Table 29: Item 24 .....                                                 | 67 |
| Table 30: Item 25 .....                                                 | 68 |
| Table 31: Item 26 .....                                                 | 68 |
| Table 32: Item 27 .....                                                 | 69 |
| Table 33: Item 28 .....                                                 | 70 |
| Table 34: Item 29 .....                                                 | 70 |
| Table 35: Item 30 .....                                                 | 71 |
| Table 36: Item 31 .....                                                 | 72 |
| Table 37: Item 32 .....                                                 | 72 |
| Table 38: Item 33 .....                                                 | 73 |
