

## ABSTRACT

**Hidayati, Winda, Registration Number: 2181121031, Developing Live Interactive English Worksheets for Teaching Descriptive Text with Quizizz for 10th Grade Students of SMA Swasta Imelda Medan, A Thesis, English Educational Program, Faculty Language and Arts. Universitas Negeri Medan 2025.**

This reasearch aims to develop Live Interactive English Worksheets for teaching descriptive text with Quizizz at 10th grade students of SMA Swasta Imelda Medan. The researcher used R&D by Borg and Gall (2003), it has six phases: (1) Gathering information and data, (2) Analyzing data, (3) Designing material, (4) Evaluation/ validating by expert, (5) Revising material , (6) Final product. The data were gathered by conducting interview to English teacher and distributing questionnaire to 10<sup>th</sup> grade students consists of 31 students to get the students' need. The interview and questionnaire results proved that the students needed Live-Interactive Worksheets as teaching media in teaching descriptive text. The Live-Interactive Worksheet was validated by two experts which are the average scores by lecturer is 4.6 and the teacher is 5, and total average percentage is 96.1. It Shows that the Live-Interactive Worksheets as media is suitable to use for the 10<sup>th</sup> grade students. Based on the results of the expert validation, the Live Interactive Worksheet were considered appropriate, which was very good.
