

ABSTRAK

Azra Batrisyia, 2213111030, “Pengaruh Model Pembelajaran *Go to Your Post* Berbantuan Media *Question Card* terhadap Keterampilan Menulis Teks Deskripsi Siswa Kelas VII SMP Negeri 1 Kualasimpang Tahun Ajaran 2025/2026”, Program Studi Pendidikan Bahasa dan Sastra Indonesia. Jurusan Bahasa dan Sastra Indonesia, Fakultas Bahasa dan Seni, Universitas Negeri Medan, 2025.

Penelitian ini dilatarbelakangi oleh rendahnya keterampilan menulis teks deskripsi siswa. Untuk mengatasinya, diterapkan model pembelajaran *Go to Your Post* berbantuan media *Question Card*. Penelitian ini bertujuan untuk menganalisis pengaruh penerapan model pembelajaran *Go to Your Post* berbantuan media *Question Card* terhadap keterampilan menulis teks deskripsi siswa kelas VII SMP Negeri 1 Kualasimpang. Pendekatan yang digunakan adalah kuantitatif dengan desain eksperimen *posttest-only control design*. Populasi penelitian terdiri atas seluruh siswa kelas VII SMP Negeri 1 Kualasimpang yang berjumlah 224 orang. Sampel penelitian mencakup dua kelas, yaitu VII-3 sebagai kelas eksperimen yang menggunakan model *Go to Your Post* berbantuan *Question Card*, dan VII-2 sebagai kelas kontrol yang menggunakan model *Contextual Teaching and Learning (CTL)* berbantuan media gambar. Data dikumpulkan melalui observasi, dokumentasi, wawancara, dan tes tertulis. Analisis data dilakukan dengan uji normalitas, uji homogenitas, dan uji hipotesis. Hasil penelitian menunjukkan bahwa nilai rata-rata keterampilan menulis teks deskripsi pada kelas eksperimen sebesar 82,59 dengan kategori baik, sedangkan pada kelas kontrol sebesar 70,03 dengan kategori kurang. Berdasarkan uji normalitas dan homogenitas, data dinyatakan berdistribusi normal dan memiliki varians homogen. Uji hipotesis menunjukkan nilai signifikansi (*sig. 2-tailed*) sebesar $0,000 < 0,05$, sehingga dapat disimpulkan bahwa model pembelajaran *Go to Your Post* berbantuan *Question Card* berpengaruh positif terhadap keterampilan menulis teks deskripsi siswa kelas VII SMP Negeri 1 Kualasimpang.

Kata Kunci: Model *Go to Your Post*, Media *Question Card*, Keterampilan Menulis

ABSTRACT

Azra Batrisyia, 2213111030, “The Effect of the Go to Your Post Learning Model Assisted by Question Card Media on the Descriptive Text Writing Skills of Grade VII Students at SMP Negeri 1 Kualasimpang in the Academic Year 2025/2026”, Indonesian Language and Literature Education Study Program, Department of Indonesian Language and Literature, Faculty of Languages and Art, State University of Medan, 2025.

This study was motivated by the low writing ability of students in composing descriptive texts. To address this issue, the Go to Your Post learning model assisted by Question Card media was implemented. The purpose of this research was to analyze the effect of the Go to Your Post learning model assisted by Question Card media on the descriptive writing skills of seventh-grade students at SMP Negeri 1 Kualasimpang. This study employed a quantitative approach with a posttest-only control group design. The population consisted of all seventh-grade students at SMP Negeri 1 Kualasimpang, totaling 224 students. The sample comprised two classes: class VII-3 as the experimental group, which applied the Go to Your Post model assisted by Question Card media, and class VII-2 as the control group, which used the Contextual Teaching and Learning (CTL) model assisted by picture media. Data were collected through observation, documentation, interviews, and written tests. The data were analyzed using normality tests, homogeneity tests, and hypothesis testing. The results revealed that the average score of students' descriptive writing skills in the experimental class was 82.59 (good category), while in the control class it was 70.03 (fair category). Based on the normality and homogeneity tests, the data were found to be normally distributed and homogeneous. The hypothesis test yielded a significance value (sig. 2-tailed) of $0.000 < 0.05$, indicating that the Go to Your Post learning model assisted by Question Card media had a positive effect on the descriptive writing skills of seventh-grade students at SMP Negeri 1 Kualasimpang.

Keywords: *Go to Your Post Model, Question Card Media, Writing Skills*
