13. Special thanks go to my beloved family, especially my parents, **Eduard Simanullang** and **Duma Yetty Herawati Parapat**, as a sign of my love and devotion. I was able to complete this thesis because of my wonderful parents, who have given me unconditional love, sincerity, support, and enthusiasm that is second to none. I promise that this is not the end, but the beginning of my journey to make you happy. I call this the first step to raising our family's dignity and becoming a role model for my brothers. Hopefully, this is just the first step in bringing you joy, because I realize that I want to make you even happier and proud of me. This thesis is also dedicated to my two beloved brothers, **Marcell Vanry Simanullang** and **Mark Benayon Simanullang**. Thank you very much for your attention to me. I hope you are grateful to have a sister like me, and I hope that you can be even better than me in the future. I love you both very much and I always think about your future.
14. Big thanks to all of my big family, who have always supported, prayed for, and encouraged me throughout this journey. I truly appreciate every word of encouragement and every moment that helped me reach this achievement.

15. For the last, a big thanks for my self, **Angel Reyana Simanullang**, thank you for all the struggles and for being strong in facing all the obstacles to get to this point. This is all because God has helped me in working and living this life. Thank you to God for giving a strong shoulder to this eldest daughter, who is the first hope of the family. Angel, I am very proud of you, and I am confident that you can achieve anything you want in the future as long as God stays with you.

The researcher acknowledges that this thesis is far from perfect and may still contain limitations. Therefore, constructive criticism and suggestions are warmly welcomed to improve the quality of this work. Ultimately, it is the researcher's sincere hope that this study will provide meaningful contributions and serve as a helpful reference for future research.
