

ACKNOWLEDGEMENT

Praise and gratitude to Allah SWT for His grace and blessings that have enabled the author to complete this thesis entitled "The Influence of Auditor's Work Experience and Competence on Audit Quality with Audit Tenure as the Moderating Variable (A Survey on Auditors of Accounting Firms in Medan)". The preparation of this thesis is intended to fulfill the requirements for obtaining a Bachelor's degree in Accounting at the Faculty of Economics, Universitas Negeri Medan.

The author realizes that this thesis could not have been completed without guidance, direction, and motivation from various parties whose contributions are invaluable. Therefore, on this occasion, the author would like to express sincere gratitude, especially to Syafariyeti, S.S (Mama) and Busra, S.E (Papa) for their never-ending prayers, abundant love, and unwavering support. I would also like to express my heartfelt gratitude to my siblings, Harry Wisuda, S.T and Andre Wisuda, as well as to my late sister, Henny Wisuda, for their support and companionship throughout the completion of this thesis. You have been the most comforting presence for the author to share both joy and sorrow throughout the academic journey and thesis preparation. May Allah SWT grant you both health and blessings always.

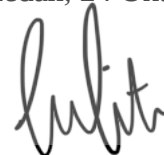

The author acknowledges that this thesis still has shortcomings and limitations. Therefore, the author welcomes input and constructive criticism to improve this work.

In preparing this thesis, the author recognizes that many parties have assisted in its completion. The author would like to express deepest gratitude to:
