

LIST OF FIGURES

Figure 2.1. Display for questions in the Quizizz App.....	23
Figure 2.2. Temperature as the average kinetic energy of particles	26
Figure 2.3. Image of the conversion principle in a thermometer.....	27
Figure 2.4. Changes in temperature to changes in form	31
Figure 2.5. Increase in distance between particles.....	31
Figure 2.6. Underground tank at gas station and gasoline dripping	32
Figure 2.7. Test Instrument Development Thinking Framework Chart	40
Figure 3.1. Research Design Chart.....	42
Figure 4.1. Interpretation of Data on Students' Physics Problem-Solving Skills Achievement in Small Groups.....	62
Figure 4.2. Graph of Percentage Results for Each Indicator of Students' Physics Problem-Solving Skills in Small Groups	63
Figure 4.3. Interpretation of Data on Students' Achievement of Physics Problem-Solving Skills in Large Groups	64
Figure 4.4. Graph of Percentage Results for Each Indicator of Students' Physics Problem-Solving Skills in Small Groups	65
