

LIST OF APPENDIXES

Appendix 1.	Innovative Chemistry Learning Material Reaction Rate with Active Learning and Multimedia	65
Appendix 2.	Chemistry Syllabus	66
Appendix 3.	Standard Assesment of Learning Textbook	68
Appendix 4.	Analysis of Senior High School Chemistry Textbooks based on BSNP Standard	70
Appendix 5.	Questionnaire of Innovative Learning Material Reaction Rate with Active Learning and Multimedia	77
Appendix 6.	The Question for Description of Learning Material (TRIAL)	78
Appendix 7.	The Questionnaire Result of Innovative Chemistrty Learning Material Reaction Rate with Active Learning and Multimedia Standardization by Expert Chemistry Lecturers	79
Appendix 8.	The Questionnaire Result of Innovative Chemistry Learning Material Reaction Rate with Active Learning and Multimedia Standardization by Students of SMA N 3 Medan, SMAN 4 Medan and SMAN 1 Perbaungan	80
Appendix 9.	The Average of Questionnaire Result of Innovative Chemistry Learning Material Reaction Rate with Active Learning and Multimedia Standardization by Lecturersts	83
Appendix 10.	Documentation	84
Appendix 11.	Draft of Files	85
