Thanks also goes to Dr. Iis Siti Jahro, M.Si, as academic supervisor who had motivated and guidance the writer during lecturing, Prof. Dr. Retno Dwi Suyanti, M.Si as instrument and observation sheet validator, Dr. Asrin Lubis, M.Pd, as a dean of FMIPA UNIMED, Agus Kembaren, S.Si,M.Si as Head of Chemistry Department, Dr. Iis Siti Jahro, M.Si, as Coordinator of Bilingual Program, Nora Susanti,S.Si, Apt., M.Sc, as Secretary of Bilingual Program and for Sir Syamsudin as Bilingual staff for helping in administrative assistance and kindness and all lecturer and staff in chemistry department.

The writer also say thanks to schools that supporting for this research, the writer would like to say thanks to Drs. Sariono as headmaster of SMA Negeri 1 Tebing Tinggi, Risna Rotua Silalahi, S.Pd as chemistry teacher, staff and student’s grade XI. The writer would like to say thanks to Alberto Colia, M.Pd as headmaster of SMA Negeri 1 Berastagi,Esrida Tarigan, S.Pd as chemistry teacher, staff and student’s grade XI. And the writer also would like to say thanks to Drs. Alben Sianturi as a headmaster of SMA Negeri 1 Sidikalang, Silas

Sihombing, S.Pd as chemistry teacher, staff administration, and all students grade XI.

The special deepest gratitude and appreciation to my beloved family, my beloved mother Merryana Sirait and my beloved father Hasudungan Simanjuntak. Thanks for loving, caring and supporting me all the times, and thank you for my beloved sister Eva Riana Simanjuntak, for my young brothers Sahat Josua Simanjuntak and Jonatan Simanjuntak and all my family who have prayed and gave me encouragement to complete my study.

The writer also say thanks to my crazy friends, Fany, Ernita, Lady, and Novel for the times we spent during finishing this thesis in the 'kost' and all my friends in family of CESP'12, Rimbun, Lestari, Arif, Elviana, Meliana, Seruni, Rina, Lisna, Hariati, Frida, Saadah, Nova , Suditro, Wita, Mariana, Ivana, Rolina, , Biuti, Taufik, Descey. And also for my teaching and learning experience (PPL) friends in Matauli Sibolga Aisyah, Febrina, Putri Wita, Findi, Bowo and Aldo, thanks for the unforgettable experiences and moments. And thanks for all people, whom I can't tell one by one, who helped and gave support during my study.

The writer has done the maximal effort in the completion of this thesis, but the writer is aware there are many weakness in terms of both content and grammar. The writer welcome any suggestion and constructive criticism from reader for this thesis perfectly. The writer hope the content of this thesis would be useful in enriching the repertoire of knowledge.

Medan, June 2016

Writer,

Evi Riana Simanjuntak
